This registry information is a copy of the original Business Registry's electronic file, and it is merely for information purposes. In case of discrepancy, Registry entries shall be deemed to prevail over the index generated electronically. The certificate issued by the Registrar is the only means to trustfully certify the content of the Registry entries and any other documents stored or filed in such Registry (Article 77 Business Registry Regulations).

BASIC INFORMATION ON DATA PROTECTION

Data Controller: Registrar/Entity whose identification data appear in the header of this document. For further information, you can consult the additional information on data protection.

Purpose of the processing: To provide the requested Registry service, including the practice of related notifications, and if applicable, their invoicing, as well as to comply with money laundering and terrorist financing legislation, which may include profiling.

Legal basis for the processing: Personal data processing is necessary: for the performance of a task carried out in the public interest or in the exercise of public powers conferred to the Spanish Registrars on the basis of the relevant legal obligations, and the performance of the requested Registry service.

Rights: The mortgage and commercial law establish a special regime with respect to the excercise of certain rights, for which provisions thereof shall be complied with, referring, where not provided for in the Registry regulations, to data protection legislation, as explained in the additional information. In any case, the exercise of the rights recognized by the data protection legislation to the data subject shall comply with the requirements of the Registry procedure.

Data categories: Identifying and contact details, other data available in the additional data protection information.

Recipients: Processing of data by other recipients is foreseen. No international transfers are foreseen.

Sources of data: Data may come from: the interested party, the applicant, the legal representative, the legal advisor/consultant.

Other information on data protection: Available in: https://www.registradores.org/politica-de-privacidad-servicios-registrales depending on the type of registration service requested.
